

Alpine Sylvester in Austria

Sylvester and New Years Day is one of the most beautiful moments of the year in our country. Complete your Christmas season with a last visit at the **“Weihnachtsmarkt”** (christmas market) in Innsbruck’s old town. People are doing the preparations for the big **“Bergsilvester”** (Mountain Sylvester) event to which thousands of visitors come to see every year.

Around Innsbruck you will find **five ski resorts**: The “Glungezer”, the “Nordpark” (steep for snowboarders), the “Patscherkofel” (olympic slopes), the “Axamer Lizum” and the “Schlick2000” (Stubaital) - thus for nearly every day another one. There are ski tickets for one skiing area and also combined tickets (e.g. Olympia ski pass for Glungezer and Axamer Lizum).

For non-skiers the **medieval town Hall** offers many sights and with the bus line 4 (every 15 minutes) it is only a 20 minutes drive to **Innsbruck** (8km). Visit the **Swarovski Crystal Worlds**, the Silver Mine in Schwaz or the planetarium is also worth seeing. Walking and hiking tracks are in the **“Gnadenwald”** forest on approx. 1000m. Here you have the possibility to do cross-country skiing.
